Dedication of the

## Phil Salzer Ice Cream Parlor

This dedication honors Phil Salzer for his commitment to Peoria County and Heddington Oaks, as well as to the Peoria community. Phil has served on the Peoria County Board since December 2002. Amongst many, one of Phil's greatest contributions while on the board was serving as Chairman of the Facilities Committee during the planning and construction phases of Heddington Oaks. He took this responsibility to heart, visiting the active construction site almost daily from groundbreaking on September 6, 2011 to moving day on September 25, 2013. An avid advocate of good governance, Phil oversaw all aspects of the development of the County's new nursing home, including financial and physical components. Phil is very deserving of this dedication, presented to him by his colleagues on the Peoria County Board on this day, December 18, 2013.
